

# Farewell To Carlingford

Toonsoort: C

Duur:

---

When I was young and in my prime  
And could wander wild and free  
There was always a longing in my mind  
To follow the call of the sea

**Refrein: So I'll sing farewell to Carlingford  
And farewell to Greenore  
And I'll think of you both day and night  
Until I return once more, untill I return  
once more**

On all of the stormy seven seas  
I have sailed before the mast  
And on every voyage I ever made  
I swore it would be my last

**Refrein:**

Now, I had a girl called Mary Doyle  
And she lived in Greenore  
And the foremost thought that was in her mind  
Was to keep me safe on shore

**Refrein:**

Now, the landsman's life is all his own  
He can go or he can stay  
But when the sea gets in your blood  
When she calls you must obey

**Refrein (2x):**
