

KARI WAITS FOR ME

Toonsoort: C Duur:

Voorspel:

Koor zingt het hele lied

De Coupletten:

Ka-ri waits for me at home, oh Ka-ri waits for me,
I see her stan-ding there be-side the rest-less sea,
Ka-ri waits for me at home, tho I must sail the sea,
I'm a sail-or born to roam, while Ka-ri waits for me.

Man-y girls in far off lands have man-y charms to see,
They'll not wear my gold-en bands, while Kar-i waits for me.
Let me ride the home-ward winds that car-ry me to shore,
till the day when I can hold my Ka-ri, Ka-ri girl once more.

Blow ye trade winds, fill the sails, oh, blow ye trade winds blow,
Blow thro' the storm-y gale and homeward we will go.
Home-ward to the snowcapped mountains ris-ing from the sea,
home-ward to the land, I love, where Kar-ri waits for me.

Ka-ri waits for me.
